2020 INVENTORY

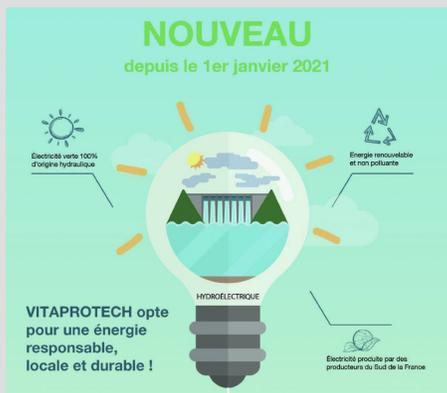

For the last 3 months, our Industrialisation Department teams worked on **our storage warehouse organisation**: study of interior movements, storage methods, 2.500 references identification...

And in the end, two days of inventory concluded this project.

Today, our teams are working in perfect conditions, your orders preparation are eased and efficient.

VITAPROTECH GROUP

Vitaprotech Group is proud to announce that its companies are using **eco-friendly energy**: SORHEA does, and now uses **local and hydraulic energy!**

A significant commitment that is part of the group's Corporate **Social Responsibility policy**.
